The One Stop Orthopaedic Clinic at 31 Old Broad Street

Patient Information Leaflet

London Bridge Hospital's One Stop Orthopaedic Clinic aims to provide a 'One Stop Definitive Diagnosis' for all musculoskeletal problems. The team is led by the Senior Orthopaedic Consultant from Guy's and St Thomas' Hospital with many years of experience.

We have a Consultant Radiologist available to assess and interpret imaging.

An Orthopaedic Physiotherapist will be available to make a full assessment of needs and form treatment plans.

The London Bridge Hospital has an expert team of Orthopaedic Surgeons covering all specialities. The purpose of the clinic is to achieve a definitive diagnosis and treatment plan and, if necessary, a 'referral on' for further treatment being arranged before you leave the site.

For appointments and advice call:

Tel: 020 7403 2108

Fax: 020 7407 5436

Email: lyndakirtley@aol.com

The clinic will provide immediate advice and treatment solutions in one visit. Patients should allow approximately 1½ hours for their appointment.
